

**PLAY IT SAFE!
WHEN YOU COME & SKATE!**

A message from the owners- Jeff and Terry Groban:

The Skatin Place has been proud to serve Abilene for 24 years. Since we have learned of Governor Abbot's plan to begin the opening of businesses in the state of Texas, we began strategizing on a new plan so that we may soon reopen our rink. We are very excited to announce our re-opening date set for **Friday, May 22nd**.

Here are our updated Phase 1 guidelines you can expect on your next visit:

Staff Health: All of our staff will have their temperatures taken before the start of their shift. Any staff member who displays signs of illness, such as fever, cough, or shortness of breath will be sent home. We have provided face masks and gloves for our employees, which will be required to be worn while working. All staff members have also been instructed to wash hands thoroughly and frequently throughout their shifts.

Cleaning and Sanitation: As done so in the past, our staff will continue our daily DEEP cleaning rituals. We have also increased our efforts to include EXTRA sanitizing of our facility before we open, and after we close, as well as during operating hours. We have also provided hand sanitizing stations located at The Stuff Shop, our SnackBar, and our Skate Counter. We are also encouraging our customers to wash their hands frequently while visiting us.

- Frequent Cleaning, Wipe downs (with disinfectant cleaner) of "frequently touched" surfaces during operating hours.
- Hourly Restroom Checks for Cleanliness and Safety.
- Disinfecting/Sanitizing skate rentals and skate mates before renting out and upon return.
- Hand Sanitizer Stations placed through our facility.

Social Distancing: Our Skaters and Guests **MUST** practice social distancing by remaining 6 feet apart from other groups. In addition to social distancing:

- We will operate at 25% capacity which will be monitored by our Management and floor guards.
- A limited number of guests will be able to be around the arcade games at a time.
- Our Snack Bar will have reduced seating to allow proper social distancing practices between groups. No more than 6 guests will be allowed per table.
- Birthday Party Reservations are available for booking (Groups of 10 or less).

*****While we have made every effort to provide a safe and fun environment, we are not liable for the health of staff or guests who choose to visit our facility*****
